New Depot Now Open In Bridgend.

Following the successful acquisition of A & K Tool Hire by Lewis Tool Hire & Sales Ltd, Phoenix is delighted to sign an Exclusive agency agreement with Lewis Tool Hire

Under the agreement all customers & suppliers will deal with Phoenix Hire & Sales, whilst Lewis Tool Hire will manage the operation.

Paul Lewis Managing Director of Lewis Tool Hire stated that he is doubly delighted. First of all with the acquisition of A & K who have traded in Bridgend for over 30 years, and secondly with the agency agreement with Phoenix, which will allow him to offer a large array of equipment to his customers for both sale or hire at extremely competitive prices.

A new computer system is being installed to allow the seamless integration of the customer database and to allow customer to hire or return equipment to either depot

Gary Derraven (Managing Director) of Phoenix stated he is extremely pleased with the new partnership stating "I have known Paul for several years and I'm looking forward to working together with a common goal of creating the best hire company in Wales"

Both Paul and Gary would like to wish Adrian from A & K,
Best wishes for a long and enjoyable retirement.

Why not call in and visit the depot for yourself at:-
