

PHOENIX HIRE & SALES LTD

November/December 2008

The Boys Are Back In Town !!!

Having previously worked together at Kingfisher Hire & Sales, Gary, Jason (alias Jock), Mark (alias Sparky) and Jason no2, are certainly enjoying working together as a team at Phoenix Hire & Sales.

Branch manager Jason commented that it's really great to be back as part of a professional team, where decisions can be made quickly to satisfy a customers needs.

Jason also enjoys being able to provide deals for customers on sales stating that as Phoenix deals direct with most manufactures he can always negotiate great prices or even sell ex-rental machines with tremendous saving against new.

With a combined 50 years of experience in the hire trade you can be sure that the Phoenix team will always have a safe professional answer for all your needs.

Heat For Hire, Or Sale

With winter fast approaching, Phoenix has dozens of different types of heaters to keep you warm, for sale or hire.

From a small electric fan heater to a large marquee heater, you can rest assured that Phoenix can provide a hot solution for all your heating requirements.
